# In Memory Of David Strickler

Death is never easy to accept, especially in a young person. This was brought to bear upon the class of 1976 on August 25, 1974 with the passing of David Strickler. David lived his entire life with his family on a farm near Roseville. Although he was unable to attend classes with his class-mates after May 30, 1970, he remained a member of the student body in spirit and desire and in the hearts of everyone who had been associated with him.

Perhaps our feelings can be best described in lines from the poem, "Dirge Without Music" by Edna St. Vincent Millay.

So it is, and so it will be, for so it has  
been time out of mind.

A fragment of what you felt, of what you  
knew,

A formula, a phrase remains- but the best  
is lost.

The answers quick and keen, the honest  
look, the laughter, the love-

They are gone, they are gone to feed the  
roses. I know. But I do not approve.

More precious was the light in your eyes  
than all the roses of the world.

Gently they go, the beautiful, the tender,  
the kind;

Quietly they go, the intelligent, the witty,  
the brave,

I know. But I do not approve. And I am not  
resigned.

## Dedication

Serving for 32 years as teacher, coach, and principal of both the grade and high school, Mr. Tinker has touched the lives of many in our community. He won their respect by his interest and deep responsibility for the welfare of each.

In appreciation of his excellent teaching and administrative abilities, his enthusiasm for sports, and as a symbol of our affection for him, we dedicate this 1975 Rambler to Mr. Eugene Tinker.

We entered Roseville High School with forty-three members in our class. Along the way we gained a few and lost several more. Eleven people left us for various reasons. The following people all left sometime between 1971-1975: Dan Crede; Bonnie Bigsby; Barbara Akins; Bryan Gray; Donna Hotchkiss; Dan Taflinger; Gary Taylor; Cheryl Wright; Rodney Waller; Rick Gayman; Rex Wilson.

We hadn't realized there were so many!

The GAA sponsored a Sweetheart Dance on February 8, 1975, to put a damper on the mid-winter blahs. For the first time in several years there was an election of royalty.

There were ten candidate couples representing various clubs and classes. Each morning a money vote was open so that anyone that wished could contribute to the jar representing the couple of their choice. At the end of the week the money was counted and the royalty was determined, the couple with the most money became the King and Queen. The royalty was honored during the coronation at the dance.

All contributions to the voting jars went to pay for the dance expenses.

# ADMINISTRATION

Robert Purlee, Principal, Advisor to National Honor Society and Student Council. Our busy principal has just completed his first year at R.H.S. However he is not new in the school system, having been a teacher and coach in the grade school four years.

All sports activities can be classified as "tops" on Mr. Purlee's list of favorites besides, of course, his seemingly never ending duties as principal. Efficiency reaches it's maximum with Martha Taylor as his secretary.

As to education, Mr. Purlee holds a B.A. degree from Monmouth College and a M.Ed. degree from the University of Illinois.

Edward Siltman. With the endless work he has to do, as Superintendent he has little spare time to indulge in the activities he enjoys. However, being a well-organized man, he plans his schedule to include golfing, camping, and mechanics.

As to education, Mr. Siltman graduated from Illinois College with an A.B. degree in pre-law and received his Master's degree with a major in Counseling from Western Illinois University.

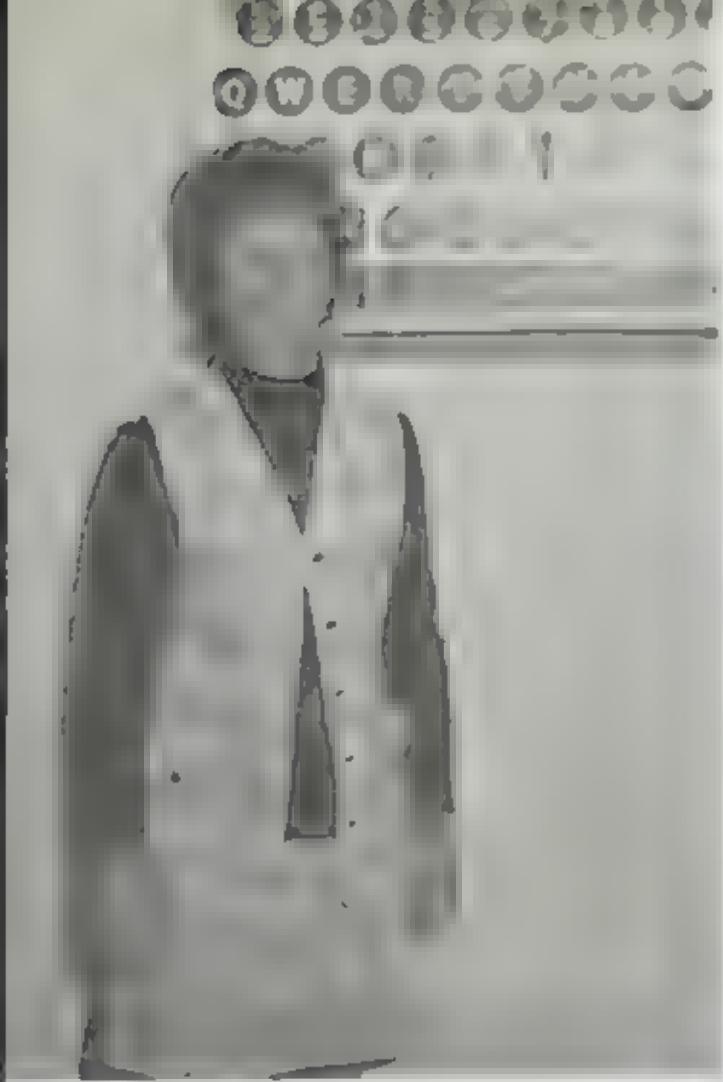

We are proud to have Mr. Siltman as Superintendent of the Roseville Schools.

Mrs. Martha Taylor, has been working as secretary at Roseville for 21 years. She aids the principal, guidance counselor, and faculty members whenever the need arises. Martha is always willing to help students who ask advice and is constantly on hand to welcome visitors.

After observing her daily, we know that she is constantly "on the go" which makes us stop and wonder how, with all this work, she can still find time to give each individual so much of her attention and so much of herself.

## Board Of Education

Above Mr. Siltman is busy explaining a business matter to I. Sprout and N. Watson.

Although these present day '75 'ers owe much of their success to their own enthusiasm and willingness to work, their path is made much easier by the Board of Education (which is elected and supported by the taxpayers of school district #200) who always stand behind them providing equipment and guidance.

The board meets the 2nd Tuesday of every month and adds meeting days when something of pressing importance comes up.

Above Right: the board members are all assembled ready to start the meeting.

On The Right is Mrs. Dorothy Brent; Mr. Siltman's indispensable secretary.

Come dinner time at R.H.S. the students and teachers are ALWAYS hungry and ready for a nutritious, well-balanced meal, which they may always expect from our cooks. The cooks work diligently every morning preparing food for the hungry group of people waiting in line to be served. You can always be sure that you will get all the food you want or need every day. We owe a lot to our cooks; if not for them it would surely be a long day. They are (L-R): Joyce Johnson, Betty Babcock, and Carol Becraft.

"Ready, Willing and Able" is the motto of the eleven girls at Roseville whose job is to support the football team and help cheer them to a victory.

The cheerleaders spend many long hours practicing everything from new words to acrobatics, to routines. They were also in charge of making the bonfire a success and the Varsity cheerleaders also worked with the marching band on all occasions. The cheerleaders also help promote pep and enthusiasm throughout the building by way of pep meetings, posters around the school, ETC. All this could not be done, however, without the guidance of their sponsor, Mrs. Stevenson.

The Rambler Staff puts in many long hard hours of work hoping to publish an outstanding yearbook. They have the huge responsibility of planning the yearbook which includes writing copy, cutting and mounting pictures, and concentrating on how to place the growing number of students in some new and different layouts. All this is accomplished in their free periods and after school work nights.

Front Row: N. Parkins (V. Pres.), D. McFarland (Pres.), Julie Purlee (Sec.-Treas.). Second Row: M. Johnson, D. Becraft, T. Kidder, Mr. Purlee (advisor). Third Row: F. Langford, E. Twomey, L. Crosier, V. Johnson, C. Josephson. Fourth Row: T. Cummings, N. Hennefent, E. Kane, H. Wingfield, and W. Kidder.

On opening day every year the Student Council holds the flag raising ceremony. This year Julie Purlee faithfully raised the flag each day.

## Student Council

This past year the Student Council has accomplished much. The lounge procedures were improved and we sponsored an exchange student again this year, which always proves to be beneficial. The members added to the treasury with three money making projects and held a dance in November. The Student Council members this year were well chosen by their organizations; they were almost always willing to work. The members have everyday duties which contribute to the "way of life" at R.H.S. -- like raising and lowering the flag, filling the pop and candy machines and supervising and clean the lounge. Thanks should certainly go to a cooperating student body--this year various students who were not elected Student Council members helped with the lounge, ETC. and the students contributed willingly to our money making projects.

Thanks, R.H.S.--for a great  
year!  
Dan McFarland  
President

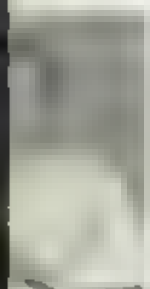

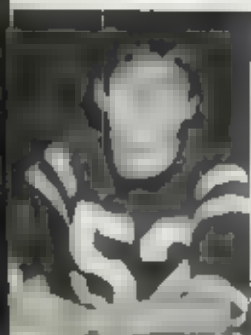

One of the Student Council's many projects is sponsoring an exchange student. This year we received a girl, Mirella Petrescu, from Sao Paulo, Brazil. Upon her return to Brazil she will enter her 11th year of school. After she graduates in two years she wants to attend Sao Paulo University in the field of engineering. She spent her three month stay in the home of Mr. and Mrs. Stuart Mayhew, Diana, Sandy and Stacey. The Students and faculty of R.H.S. are very proud to have Mirella in our school this past year.

The FHR participated in a number of activities this year. They held a Christmas exchange party with gifts equaling exactly 77¢. Each girl also brought a pair of mittens which were hung on a mitten tree, and later sent to two children's homes. In February they hosted a Bowling and Pizza party for the Avon FHA organization. The girls used the money from their dues to pay for a trip to Peoria in April.

The student teacher for the first semester was Mrs. Hill. She attended WIU and helped in the Home-Ec department.

## Co-op

Job interviews, taxes, insurance, credit, investments-- All of this and more is packed into the Cooperative Education program. This year for the first time, ten students are taking a course at R.H.S. designed to prepare them for the world of work through classroom training and on-the-job experience. These students are under the supervision of Mrs. Dianne Balmer, the Cooperative Education Coordinator. They take regular classes in the morning and the work station out in the community becomes the classroom in the afternoon. The result has been many interesting and satisfying experiences.

Now that it's the end  
of the day, and the  
work's all done... I  
want to extend my  
thanks to the staff of  
1975 for their work  
and dedication. Also  
thanks to those who  
purchased books -- as  
this makes all the  
work worthwhile.
